

Value	Endorsed Values Statement
Safety	Our Club keeps everyone safe in the water, on the beach and in the clubhouse. We value a safe culture, willingness to take responsibility and take action when needed.
Inclusion	Our club is enriched when we welcome people from diverse backgrounds and all abilities.
Contribute and Give Back	We are an organisation driven by volunteers. We value and encourage each other's contribution to our club and our community.
Family Focused	Our club aims to provide something for all our members and their families. We strive to create a community where everyone is involved and included.
Teamwork	As a team we are far more powerful and knowledgeable than as individuals, we value the strength that teamwork and communication creates.
Respect	Respect for each other and our club starts with us all. We value and respect our people, facilities and equipment. Differences are respected and engagement encouraged.
