

## **ASLSC Carnival Board Use Form**

Name:

Board:

I agree I am responsible for the ASLSC board that I am transporting and using.

I agree to take good care of the board whilst it's in my care. To secure firmly during transport but not tight that straps make depressions into the board. I will wash the board down after use, store out of the sun and not leave it in a hot car.

If there is any damage to the board, I will report the damage to the ASLSC Board Captain Greg Pepall. I understand I am responsible for the cost of board repair or replacement if unable to be repaired. Except for damage incurred during competition. If damage occurs during competition, it must be reported immediately to the Board Captain or relevant AGM.

Any pre-existing board damage noted:
