Surf Life Saving Albany acknowledges all traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal and Torres Strait Island communities and their cultures; and to Elders both past and present.

PRESIDENT REPORT

Carl Richardson | Club President

Saving Lives, Developing Our People and Community (ASLSC Vision)

It has been another fantastic season at the ASLSC. Thank you to all the volunteers, members who fill roles within the club, dedicating a lot of time and effort for the club to successfully function and provide the level of services we do. Thank you to our valuable sponsors for the support of the ASLSC.

The review of ASLSC Clubs Strategic Plan has been completed. The Strategic Plan sets out the Club's vision, values, purpose and key pillars for the next four years. I encourage all members to familiarise themselves with the new Strategic Plan setting the direction and values for 2024 to 2028. Thank you to Sarah Bowles for leading the strategic review for the ASLSC undertaken by consultants Kim Buttfield and Christine Grogan. Thank you to all the members who participated in the strategic review process, provided input through the survey or meeting process. A copy of the Strategic Plan can be found further down in the report.

Sincere thank you and appreciation of our club board members and team leaders who fill key roles in the club dedicating considerable time, effort, and commitment to the club to be the success that we are. The depth of knowledge, skill and experience of the board and team leaders is invaluable. Thank you for your significant contributions to the club.

With funding from the State Government, Lotterywest, The City of Albany, Jack Family Trust and ASLSC secured, the redevelopment project is well under way with Smith's Construction undertaking the project. A big thank you to Rob Mason for dedicating considerable time and effort to the redevelopment project, leading and managing the project for the ASLSC. Thank you to the City of Albany for the excellent project management and Architects H&H. The redevelopment project is currently forecast to be completed in December 2024 with the move back into the club rooms planned for early 2025. We will continue to operate out of the sea containers until the move. Stay tuned to the RIP for updates.

PRESIDENT REPORT

2023/2024 has been a fantastic season for our amazing club. Club membership has remained stable at around 450 members. Congratulations to all the competitors who competed at the Aussies, State Championships and Regional Championships with outstanding results. Congratulations to our members who were finalists, awards recipients at ASLSC and SLSWA awards. The ASLSC key annual events The New Years Eve Swim, The Harbour Swim and Surf Craft Challenge were successfully completed. Thank you to everyone involved in the events, particularly ASLSC Water Safety, Albany Sea Rescue and Princess Royal Sailing Club.

My two-year term as President has come to an end. Due to travel commitments and being away for more than 50% of the season ahead, I will not be seeking President re-election but my commitment to the board remains. It has been an honour and privilege to be the President of our amazing club and surf club community.

Thank you to the board, team leaders and members for all your support. ASLSC is an awesome club. May our success continue into future years.

Carl Richardson

VICE PRESIDENT REPORT

Helen Marshall | Club Vice President

We were very lucky to have attracted a second Club Principal Sponsor this year – Budget Albany, who have not only committed to Principal Sponsor for a three-year period, but also agreed to be a Divisional Sponsor – Surf Boats, over three years.

I would like to take this opportunity to formally thank all Club Sponsors for their support and partnership with ASLSC. I strongly encourage members to support our sponsors as their contributions are essential to keep our Club operating, providing equipment and programs for its members.

VICE PRESIDENT REPORT

Rainbow Coast Carnival

Another great weekend was enjoyed all at the Rainbow Coast Carnival in Bremer Bay in November. The Carnival was well organised by Esperance Goldfields SLSC with plenty of volunteers from Albany and Denmark on hand to fill roles and ensure the weekend went smoothly. There were over 150 competitors, including 93 from Albany!

The weather was kind and the participants displayed the usual high level of sportsmanship and team spirit.

A huge thank you to all of the awesome Albany SLSC volunteers for organising and coordinating over the weekend, taking gear over and back, setting up and packing down, acting as officials and result recorders, cooking sausages, water safety, first aid and all of the other jobs that make this weekend happen. Thank you!

Congratulations to Denmark for winning the Carnival – an amazing effort.

It is my last year as Vice President, and I would like to thank my fellow Board members for their support during my term.

LIFESAVING

Dani Lynch | Lifesaving Team Leader

The ASLSC season of 2023-24 had 103 patrolling members which covered 29 patrolling days. Our members totalled approximately 2500 volunteer patrol hours. This doesn't cover the 30 water safety sessions provided for the Woodside Nipper and Senior Sundays or the Nipper training on Tuesdays. There were also several public events that required our team of volunteers for water safety, this included our Club Sponsor Swims, New Years Eve Swim, Albany Harbour Swim, as well as the Rainbow Coast Carnival at Bremer Bay and finally the Surf Craft Challenge. This season saw our patrol format stay the same as the previous, as it seemed to be our most successful. We had 10 teams with an average of 10 members per team. Each team consisted of ARTC, IRB driver and IRB crew, BM and SRC, 8 teams also had RWC drivers. Patrol Captains were asked to identify members that they would be able to mentor into becoming Vice Patrol Captain and hopefully future Patrol Captains.

This season our agreement with the City of Albany was from the 02/12/23 through to the 25/02/24, all public holidays were included in the patrol dates, due to the increased activity down at Middleton Beach. The hours for each day that an active patrol was required down at Middleton Beach were 0800-1400. To allow for this, the patrol roster was split between 2 teams, the morning session was 0730-1130 and the afternoon session was 1130-1430, each had 30mins to set up and pack down outside of the contracted time.

During the season there were 6 rescues, 4 of which were outside flags, that had successful outcomes due to the vigilance of the patrolling teams. However, there was unfortunately a sad outcome for a significant member of our club with the death of a close family member, swimming on a day the beach had been closed and outside of the patrolled area. Despite the best efforts of club members present and SJA, the family member was unable to be revived.

LIFESAVING

Thanks to the efforts of our Education team, many of our patrol members have had the opportunity to continuously enhance their skills. This has been particularly beneficial in filling roles such as IRB drivers and crew, and it will boost the confidence of our members. We are a small club and many of our younger members move on to the city and take the skills they have acquired here with them to Perth clubs.

The annual Beach Safety Equipment Fund allows ASLSC to consistently update and replace equipment each season, and this year was no exception. The constant updating and replacing of this equipment benefits all members of our club and the general public. This year saw the purchase of several new radios, batteries, first aid equipment, and patrol bags. ASLSC is fortunate enough to have an ongoing and valued Patrol Sponsor, the Great Southern Specialist Centre. Through their continued sponsorship, members are able to wear cold weather jackets on days when the wind is blowing fresh into the beach. These items are much appreciated and certainly make the patrol sessions much more comfortable. The marine environment can be quite harsh on equipment and with this in mind, regular maintenance and replacement of gear is essential. The club has replaced an IRB trailer, which is currently in private storage until the season begins. We have also sold privately an IRB with a new Hull in Perth waiting delivery to Albany. Due to the current renovations this season, several large items were stored privately and have been bought down to the club when required. The next season will continue to provide logistical challenges with the club unable to be completely utilised and patrols will start the season without the club access. The shipping containers have been managed really well with tight packing on each patrol and for water safety session. This is definitely a team effort in maintaining the equipment and ensuring the “rescue ready” of our patrols.

LIFESAVING

The following team is what ensures the season has run as smoothly as possible, and I am very grateful to them all:

IRB Captain: Cam Martin/Tom Bowles

Water Safety Officer: Dani Lynch

Water Safter Officer (Tuesdays) Hayden Chandler

First Aid: Helena Stoakley

Radio Officer: Richard Langston

ERT Officer: Pat McSweeny/Greg Webb

Patrol Captain: Rob Lucas, Jo Lucas, Richard Langston, Jeff Medcalf, Chris Ficko, Wilem Freebury, Greg Pepall, Rachel Duffield, Jim Morcom, and Hayden Chandler.

I would like to take this opportunity to thank all those who work on the lifesaving team. Your energy, efforts, skill and enthusiasm is what keeps our club going and your time as a volunteer is much appreciated. I would also like to thank and acknowledge the Board for their on-going support during the season. I realise we are all volunteers and the time spent behind the scenes is just as important as those spent in the public space.

We would like to offer our condolences and ongoing support to our club member on their sad loss.

EDUCATION

Jeff Medcalf | Club Education Team Leader

Thank you to our Trainers and Assessors, who have continued their commitment to this facet of club activities and for maintaining the very highest standards of performance to our members. Congratulations to Cameron Martin as the recipient the Education Award at our annual event this season. Cameron takes the lead in providing well organised and delivered IRB training and assessment to our members and to Denmark as required. This year, Cameron and Les Paxton have also mentored Ian Spurgeon and Hayden Chandler to being awarded their IRB Assessor and IRB Training Officer Awards respectively.

Note, in the following table, the number of Skills Maintenance and new awards that were supervised by our Patrol Captains and our Trainers and Assessors throughout the season. The Community SRC (Teacher's Day) was our best on record with 82 participants. This day wouldn't happen without the dedication of our volunteers, and I thank all the clubbies who were on hand to make it all work from catering, paperwork and management through to trainers on the beach and in the water all morning.

EDUCATION

	Award	Skills Maintenance
BM	7	105
SRC	7	11
ART	0	39
IRBC	8	39
IRBD	3	22
Pain Management	0	9
Community SRC	18	64
Nipper Surf rescue	14	18
Training Officer	2	-
Assessor	1	-

A new award to keep an eye out for in the coming season is the Silver Medallion Aquatic Rescue (SMAR) which is a higher skills award for those who already have their BM. Greg Webb, who completed his Training Officer's Certificate this season has also completed the training to deliver the SMAR and we look forward to some interesting activities as things warm up after winter. Pencil the first weekend in October into your diaries.

EDUCATION

With the complications associated with the renovations, there were slightly fewer opportunities to deliver training in the season finished. The prospect of getting into the new facilities, however, and designing the patrol area to the needs of our lifesaving team, will create more opportunities for some advanced skills courses in the coming season. I look forward to challenging our membership to pick-up Pain Management, SMAR and IRB awards as a way or increasing their skill sets.

SURF SPORTS

Youth & Seniors

Nick Walker | Surf Sports Team Leader

The Sunday Season

Kicking off on October 29, our youth and seniors group enjoyed a huge season of club Sundays including all the familiar favourites – boards, irons, swims, more swims, the ‘Mission’ long course, 2k runs, flags and beach sprints – with a few new twists including the comeback of the club Handicap swim which was run with great patience and good humour by Col & Joss Pass and under the ever watchful eye of beach boss Dani Lynch. We trialed the introduction of a warmup and surf skills session, which commenced an hour before the main Sunday session, which attracted a small but dedicated crew who saw great improvement through the season as a result of all the extra hard work. We also successfully managed to ‘up our swimming’ as a group focus during the season, and after seeing a real difference in skills and fitness as a result, this is something we’d like to see continue!

SURF SPORTS

Youth & Seniors

Our youth and senior crew continued their strong support of the Nippers program throughout the season, volunteering time on Tuesday afternoons and Sunday mornings to help develop our next crop of emerging lifesavers at the club. We'd love to see this trend continue next season and would encourage all youth members in particular to look for every opportunity to work with our junior ranks – it's a rewarding leadership and personal development challenge and can also be a lot of fun!

Sundays and club events couldn't have been run without the amazing support of the water safety team, who arrived early each week to fire up the IRB's and jet skis, set up the buoys and stringlines with deadly accuracy, and generally keep our water activities safely patrolled. This team was often last to leave the club following the conclusion of Nippers each week and could often be found washing down and packing away their craft, and hauling anchors and chains back to storage right up to home time. To this team we say a huge thank you, and to all club members, we would urge you to consider what water safety role or training upskill you may like to get involved with next season!

SURF SPORTS

Youth & Seniors

All things Surf Craft

The formation of a new training group for Aspiring Board Paddlers saw a fresh crop of newer paddlers invited to gain experience in a wide variety of surf conditions, and generally enjoy the journey to greater proficiency and fitness – we had a lot of fun learning to quickly and safely negotiate the break, punch out into the onshore wind and waves (which were relentless this season), and finally catch those elusive runners and waves back to shore. Meanwhile Head Board Coach Dean Symmans took the Competition Board Paddlers (aka ‘the frothers’) through their paces twice a week, as kept the group as fit, tuned into the ocean, and race crafty as ever.

All the training on our aging board fleet had Board Captain Greg Pepall patching, sealing and grinding away in his garage all year, and on the lookout for apprentices too – board repairers or chefs he didn’t mind which! Ski Captain Jason Bresanello was kept busy organising the brace of club surf skis in and out of the clubhouse through the season and was once again joined on the water by regular guest coach Brendan Downes, who managed to impart more of his good training habits, technique tips, and teach us the true meaning of “6 o’clock start ... on the water!”

Our boaties meanwhile navigated the various storage challenges served up during the season with typical ingenuity and team spirit – typified by the efforts of Boatie of the Year Lawrence Cuthbert and Boat Captain Jeff Medcalf – and despite a quieter than normal competition season still managed to keep three crews on the water to compete with honours for Albany in the annual Surf Craft Challenge.

SURF SPORTS

Youth & Seniors

Some of the other highlights in the youth seniors season included:

Season Opener!

Kelvin Ridgway got busy with his lathe over the off season, unveiling some brand new perpetual surf ski trophies for the Surf Craft Challenge at the season opening sundowner at Woodlands Distillery.

A day out in Denmark

After a busy January dominated by challenging conditions at Middleton Beach, a small representative group made the short trek out to Ocean Beach in support of the Nippers state champs qualifier event, hosted by Denmark SLSC and also attended by Esperance. Surf conditions were big and lively, with strong currents and swell creating challenges for nippers and water safety alike, and our youth and seniors given a stern test when given the opportunity to try the main break. A lot of competitive fun was had with a focus on team events, with carnival goers invited back to Denmark's clubrooms to wrap the day up – a great way to renew and cement friendships with our south coast neighbours.

SURF SPORTS

Youth & Seniors

Smith Thornton Swim

Perfect conditions were enjoyed for the annual club 'swim off' this year, which saw a very even spread of swimmers compete from across our different age groups and a group completing the Sunday swim-run-board-run event as a warmup! A great course was put in place on the day by Cam Martin traversing the full extent of Ellen Cove outside the swim net, with first across the line Christine Murray – in devastating form ahead of her Rottneest Channel Swim – followed by Collin Pass, who was clearly showing the benefits of a daily dip in the harbour!

Ocean Swims

We had another big year of participation from Albany club members in open water classics Rottnest Channel Swim, Busselton Jetty Swim, and Lake Argyle Swim, rounded out by local events the New Years Eve Swim, Harbour Swim and Denmark Ocean Mile.

BB Minicrete Run

A strong field turned out for the annual long beach run this year, with life member and seniors competition sponsor Perdie Beebe starting the 4km race in warm conditions and competitors still dripping after the Sunday club swim. Bringing the Nipper group into the event for new 1km and 2km distances again proved a popular move.

Budget Cup

A brand-new team event heralded the official close of the youth seniors Sunday campaign and welcomed the club's newest sponsor of both the lifesaving division and surf boats to the club. Using the unique carnival format of a 'Lifesaver Relay', two giant teams composed of surf boat crews, surf skis, board paddlers, swimmers and runners battled against each other in a friendly but competitive romp, which emphasised the need for teamwork and all round participation. We are already looking forward to next year's event!

Results 2km Run u/19 – 2nd Angus Bowles

WA Masters Championships

Our masters team backed up their big day on the beach at the Country Champs with a respectable 11th position overall (93 points) at the Masters Champs held on Monday 4 March 2024 at Sorrento.

Team: Sally Moir, Beth Hearle, Lisa Symmans, Rachel Bresanello, Nick Walker, Jason Bresanello, Greg Pepall.

Some noteworthy performances in the mens arena came from our board relay team, who managed to beat out a lot of the big paddling clubs including Trigg Island, Sorrento and Secret Harbour on the way to finishing 2nd behind ex-Albany teammate Adam Cousins and his new Scarborough crew! The Taplin team relay seemed only to benefit from the worsening wind and surf conditions, and the hours of battling onshore blows at 'Mids soon came to the fore as Greg Pepall found 'wave of the day' to put the team into medal winning contention, picking up third place after Bresa's swim and Nick's ski.

SURF SPORTS

Youth & Seniors

The Albany ladies team dominated their end of the beach, menacing the other clubs with their combination of experience, extreme fitness and skill. Eligible for many of the 170+ yr divisions but lacking direct competition in that age group, the girls had to compete down against younger competitors most of the day, however still managing to have it mostly their way with the addition of all-rounder Rachel Bresanello to the established trio of Sally, Beth & Lisa adding some extra punch particularly through the surf ski legs.

NEW YEARS EVE SWIM

Over 120 swimmers took part in our annual swim held at Middleton Beach to mark the end of the calendar year – an impressive turnout considering the less than ideal ocean conditions! With strong onshore winds prompting a ‘go, no go’ swim-through the day before by race organisers, swimmers arriving at the beach were faced by the prospect of a tough day at the office and a possible reduction in race distances.

Once competitors braved the foamy waters however, and approached the deep water start line, they found themselves in the middle of a surprisingly fun swim, requiring them to battle the head on wind chop running hard down from the point, pick their way across the current to the northern-most turning can, all before entering the final section of wave running rollercoasters and following seas all the way to the final turn... then rinse and repeat!

With dark rain clouds looming large on the horizon a prize giving ceremony was quickly carried out, and thanks to the fast talking efforts of Race Director Rob Mason and AV technical services of Carl Richardson aka the Pres, we got through this mostly dry. The water safety team put in yet another faultless performance led by the fearless IRB driver and crew combos, RWC ‘Top Gun’ jet ski academy, specialist big wave rescue board crew, and the day-early course setting services of one Jim Morcom.

3.0km	Open F	45:24.41	Emma Warburton
	Open M	36:04.6	Adam Sudlow

Newcomer to the Middleton swim scene Eliza Kavanagh made waves in the 500m open female swim, just managing to squeeze out new clubbie Helen Morris. Local swimmer Liam Guthrie was fastest among the open 500m males, and in the youth division Coogee Beach's Kaia Moloney took out the top female prize, closely followed by best placed male finisher and Mt Barker local, Jack Rowe.

First female over the line in the 1.5km race and overall winner of the wetsuit division was Albany SLSC's Dana Neumann in a blistering time of 27:04.3, who was closely followed by training partner and super-fish Kylie Outhwaite in 27:14.2. Club legend Beth Hearle (29:00.2) only just missed out on the open women's title by the narrowest of margins, losing out to Scarborough's Amy Felton in 28:59.0 by only a second – what a finish! A minute behind and not far off the podium, powerhouse pair Lisa Symmans and Sally Moir would finish the race strongly, and round out a club field which also included Caroline Tompkin, Jenny Jay, Ava Marmion and Joslyn Pass.

SURF SPORTS

Regional Events

Visitor Josh Ellett proved too strong in the men's 1.5km division, beating out a determined local crop led by Dana protégé Ken Willis, and our very own Oli Pass – who sensibly opted against the gruelling 3km distance and inevitable swim off against father Col in favour of a future jetty swim showdown – along with clubbies Carl Richardson, Peter Gray and Jeff Morris. Albany SLSC was again well represented in the youth 1.5km category, with winner Sophia Riddell finishing clear of Nipper Mahayla Smithers, and Jordan Berkelaar finishing second to Denmark's Pablo Sleeman.

Bunbury's Emma Warburton was able to elude a fast-finishing Coco Smargiassi by a mere 9 seconds in the 4 lap, 3km race – a great battle fought over 45 exhausting minutes, which saw the pair stray no further than 50m from each other the whole race – and was trailed by strong swimmers from Albany's Dannika Barras, Chris Ficko, Kirsten O'Brien and new clubbie convert Claire Boujos.

In the men's 3km, Adam Sudlow from North Coast Swim Club blew the rest of the field away and set a new course record (36:04.6), managing to average an incredible 1:12/100m pace in those conditions!! Notable performances also came from second placed overall Alex Gunnell, beating out local watermen Craig Fuller and in-form clubbie Collin Pass, as well as club friends and local ocean swimming stalwarts Mark Zafir, Adrian Nicoll, and Bruce Wilson. Club youthie Mitchell Loverock got a special shout out on the day, completing the swim with great perseverance and good humour – Mitch also holding the honour of being the youngest finisher of the 3km course!

ALBANY HARBOUR SWIM

Swimmers, volunteers and water safety teams were treated to almost perfect conditions for the Easter long weekend event this year, which saw a big field of entrants and some fast-finishing times. 111 solo, 10 duo and 4 quad teams completed the annual crossing, with defending men's champion Max Coten recording the quickest time since the course changed direction in 2014 (narrowly missing out on the record set in 2013 by Paul Laver by a mere 12 seconds!), and Rebekah Weller, winner of multiple harbour swim crowns dating back to 2017, crossing the line second overall in another standout performance. Event coordinator Simon Smith was extremely thankful to the big group of volunteer clubbies, long running event sponsors, and host of community partners.

A big contingent of Albany club swimmers again took part this year, representing in every age division and team configuration. On a day attracting swimmers and visitors from right across the Great Southern, Perth metropolitan and South West regions, it was great to see this turnout in support of the event and its key missives to promote the sport of ocean swimming, and recognise the greater contribution of surf lifesaving to the broader community.

Congratulations to the following top ten solo finishers from Albany SLSC:

SURF CRAFT CHALLENGE

The 2024 Surf Craft Challenge was one for the ages! Records tumbled as we recorded the highest ever number of surf ski entrants, fastest ever ski paddle (and overall fastest course time), and the largest field of surf boats in the event's history – a full 10 more boats more than our previous best! In total we welcomed almost 300 competitors to our shores to take part in the event, travelling in from all corners of the state including Esperance, Denmark, Bunbury, Busselton, the entire length of Perth's metropolitan coastline, and one crew even making it all the way from Dampier to row on a borrowed boat from Albany! Our famous club hospitality was on display and enjoyed by all who attended, with the long weekend event proving another great success for everyone involved. Club volunteers, sponsors and event partners received many thanks for their hard work and support, with the continued growth in the event and youth participation numbers great signs of both the future health of lifesaving and surf craft racing in WA.

Race conditions varied wildly on the day from fast downwind runners across the Harbour – fuelled by a NW stormfront hitting the startline and quickly rendering distant targets Quararup and the Cheynes wreck nearly invisible from view – to the sunshine laden flat-water expanses of Middleton Beach and near-serene Ellen Cove finish line. The many moods and faces of the southern ocean coastline was on full display, and on hand to capture all the race action and stunning natural beauty of the course was the club's own pro snapper Lee Griffith – check out the photo reel on Lee's website if you get a chance!

SURF SPORTS

Regional Events

Albany clubbies acquitted themselves admirably in the highly competitive field, and none moreso than first and third placing crews in the 160+yrs masters female surf boats division – congratulations to the Wedgetails and Fat Gannets! Overall the day however belonged to North Cottesloe SLSC, taking both Whale Tail trophies back up the highway to Perth for yet another year, and also welcoming their u/23 male surf boat team to the winners list, setting a cracking race time that would have had most open teams worried! City of Perth, Mullaloo and Cottesloe all featured heavily on the podium across both surf boat and surf ski divisions, with City of Perth Ironman Harry Hewitt having a day out to remember, setting a new course record in the open surf ski, and backing up to win the men's open 2km dash for cash. Harry was overheard recommending the 'Ridge Walk in a day' as an ideal race preparation ... one to remember for next year.

The event saw club and community members volunteer across a huge variety of roles, from Race Timing, Recording, Results & Presentations, Briefings, Registrations, Approvals, First Aid, Water Safety, Course Setup, Catering, Merchandise, Social Media, Traffic Wardens, Beach Setup and Venue Management to name a few! A grant received from Albany Community Bank helped enormously in the creation of an all-weather event hub at Middleton Beach, which set the scene for hot food, coffee and a big presentations featuring prizes sponsored by Bennett Paddles, Woodlands Distillery, Dolphin Lodge, Big 4 Holiday Park Middleton Beach, Helen Marshall Family Law, Great Southern Specialist Centre, Three Anchors, and Mr John Banks. The running of the event was further made possible by contributions from a number of local delivery partners, including

Sea Rescue, Albany Advertiser, Albany Boat Shed, and our very own Donna Cameron's DC Design. Albany SLSC also acknowledged the support received from Southern Ports, Department of Transport, and City of Albany through the event planning and approvals stages.

BOARDS

Greg Pepall | Board Captain

This season we were lucky to have the use of the clubrooms including hot showers for most of the year. Looking forward to our upgraded rooms!

Training

2023/24 was a great season that saw many clubbies getting involved in training. Tuesday sessions went well and once again youth assistants were the backbone to support the AGM's.

Deano's training sessions were so popular, another board training group was formed by Jason Bresanello and Nick Walker to accommodate the "aspiring" board crew. This group showed all round amazing improvements as the season progressed. Many kilometres were paddled over the season by all crew.

BOARDS

The Season started with the Bremer Bay Bash, and we saw plenty of action with a heap of nippers, youth and seniors having a go in the most extreme offshore winds at Blossoms.

As usual the Bremer Bay Caravan Park was a buzz with family action. What a great way to meet, introduce and get along with like-minded clubby crew!

Competition outside Albany was held in Denmark and Sorrento Beach where nippers, juniors, youth and seniors all competed in some fantastic conditions to bring home a bag load of medals!

BOARDS

Board Acquisition and Repairs

This season there was only the acquisition of 4 new rescue boards.

Once we have upgraded club rooms there will be scope to purchase new equipment as storage will be a lot easier, safer and therefore less damage will occur.

The push will always be to urge ongoing club members to purchase their own equipment. Resale is not too difficult as new members are always looking for cheaper equipment. There are numerous channels including Facebook pages to monitor equipment for sale.

By the end of the season there was numerous board damages ranging from small cracks to larger ones like a crushed nose, rail damage, fin replacements and replacement knee pads. Ongoing repairs will be tackled as the off season progresses.

Board Storage

Those who were allocated boards last season and could take care of them did so, all season. This includes Nippers boards, Senior boards and even Rescue boards. Many still have boards in their possession.

This will continue until we have our new club rooms accessible.

We also have a trailer full of junior/senior boards which ideally should be bought down to the 24/25 season Sunday's club day by anyone who can organise this. This would entail someone being able to store the board trailer under cover until access our new club is available.

SURF BOATS

Jeff Medcalf | Surf Boat Captain

My report this year is only that it has been a very quiet season for boats. Due to several factors, we were unable to send any crews to the competitions. After the huge season last year, with our successes at States and Nationals and the addition of a new boat to the fleet, it has certainly been a very quiet time.

On the positive side, camaraderie is strong within the boaties and we have been filling seats all season to keep the boats on the water and we have a couple of new faces in the boatie arena whom we hope will join us for the coming season.

Full credit to Lawrence Cuthbert, Boatie Of The Year, who has been invaluable in keeping communication and support going while things have been a bit tricky with the clubhouse. We're looking forward to the completion of the renovations, which will enable us to design a new-look boat shed and facilities and to finally get our whole fleet in on place and under cover. The prospect of having the generous sponsorship of Budget makes the future all the more tantalising, knowing that we will be able to maintain the momentum we have created in keeping our equipment maintained and as current as most other clubs in WA.

SURF SPORTS

Jane Levett | Woodside Nippers Coordinator

Over the 2023/24 season a total of 160 Nippers were registered to participate in the Woodside Nippers Activity program. Over the season 14 sessions were held at Middleton Beach. Additional events at the Rainbow Coast Carnival in Bremer Bay and the Great Southern Regional Qualifier at Ocean Beach in Denmark were also attended by ASLSC Nippers.

ASLSC Nippers had a strong and dedicated group of Age Group Managers (AGM's), with the exception of the U13 group. Kylie Severin, Collin Pass, Hamish Bowles and Liesel Freebury all stepped in at times to assist in the direction of the U13 group and their contributions are greatly appreciated.

AGM's and Age Group Assistants for the season are as follows:

Age Group	Age Group Manager	Age Group Assistant
U6	Kellie Loverock	Sophia Riddle
U7	Andrea Totten	Robbie Monaghan/Mitch Monaghan
U8	Rowena De Groot	Victoria Ford
U9	Chris Stan Bishop	Kathy Wise
U10	Pete Gray	Pete Van Schoebroek
U11	Greg Freebury	Dana Neuman/Sophie Loverock
U12	Liesel Freebury	Janelle Sepkus
U13	Collin Pass/Hamish Bowles	Kylie Severin

SURF SPORTS

Woodside Nippers

All of the Age Group Managers have completed the preliminary qualifications to attain the Age Group Managers Award, the Child Safe and AGM online components. Observations have been completed and submitted for the following Age Group Managers in order for them to receive their full AGM Award:

- Kellie Loverock
- Greg Freebury
- Pete Gray

Thanks to Jackie Riddle, one of our AGM Mentors for the time taken to complete the observations and paperwork.

SEASON

Firstly, a huge thank you must go out to our Nipper sponsor Albany Community Pharmacy 777 and to all the amazing volunteers that make the nipper program possible AGM, AGM assistants, Water Safety, Officials and Youth Officials, Canteen and BBQ Helpers, Parents and every single person that made the Woodside Nippers 2023/2024 season what it was.

Swimming training started with Helen on Friday morning at ALAC, we didn't continue swim training into the second half of the season. The small number of nippers that attended these sessions saw great improvement in their swimming ability.

The proficiency swim at ALAC kicked off 2023/24 activities, our amazing AGM and helpers assessed the swimming abilities of the Nippers to ensure that they passed the appropriate age group proficiency swim before hitting the surf.

SURF SPORTS

Woodside Nippers

Our 1st day on the beach was a classic Albany day overcast, a little rain and a little chilly. We had an amazing day of orientation where the nippers and their parents had a tour around the club with all the volunteers in their specialities explaining what happens to the nippers and their parents.

The Annual Rainbow Coast Carnival in Bremer Bay was again a highlight of the season. It is great to see all the families attending this as we continue to form friendships with competitors from our closet clubs. Unfortunately, the trophy was again won by Esperance, but great competition and the different conditions was a great experience for both new and old nippers.

Christmas came to Middleton Beach we had Christmas tree decorations, Candy Cane flags, Christmas Decoration sorting and Dressing Santa on the pontoon were all the activities that we had for our Christmas Fun Day and also a visit from the Father Christmas to spread the festive cheer and give all the kids some lollies.

SURF SPORTS

Woodside Nippers

A huge thank you to all the volunteers who helped with set up and pack up, officiating, our Age Group Managers and assistant's, water safety, running results, and totalling up all the points.

Congratulations to our season points winners. Points are collected for Sunday attendance, and for events on specific Points Days over the season.

Our winners and runners up this year are:

Age Group	Winner	Runner up

Woodside Nippers

Great Southern Regional Qualifiers

Nearly 50 ASLSC Woodside Nipper members from U6 and U7 to U13 age groups participated in beach and surf events on Saturday 20th January. For our U10 to U13 Nippers the carnival was a chance to qualify for the State Champs in Perth at the end of the season.

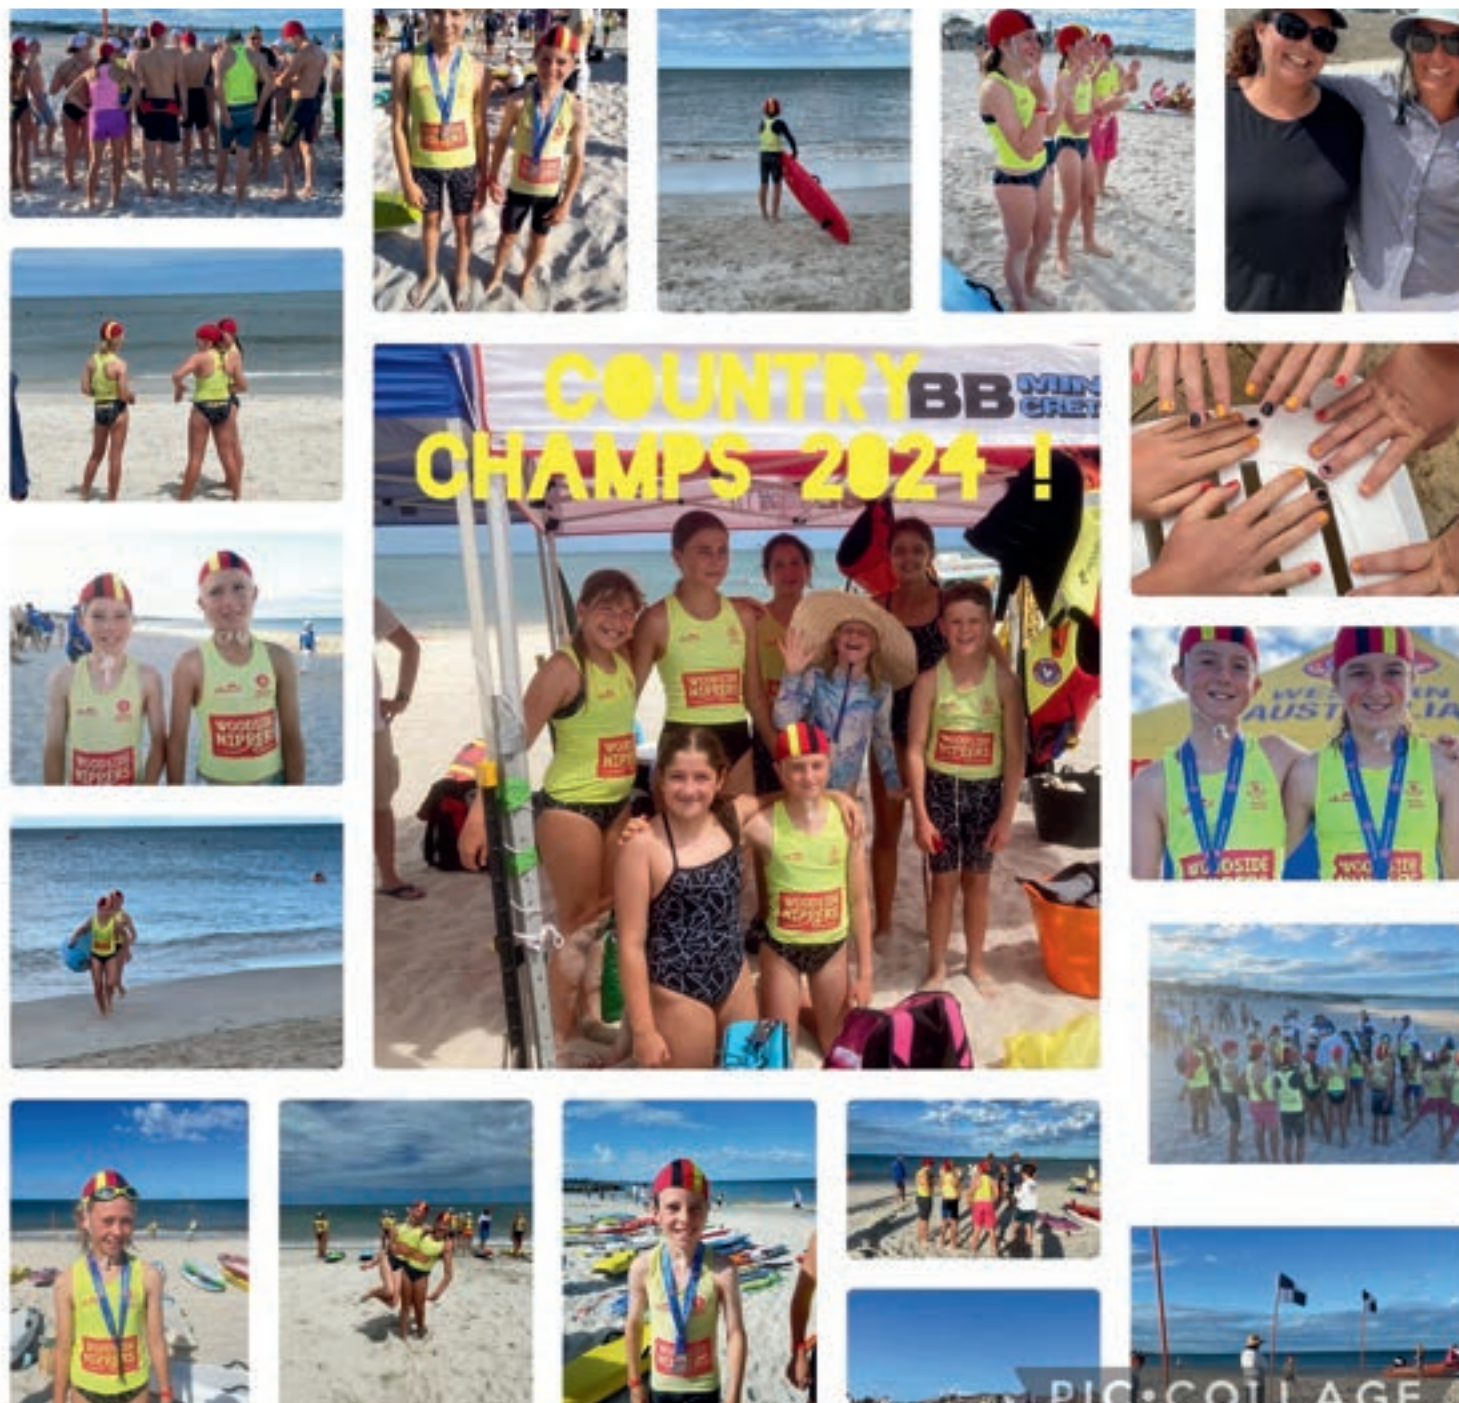

Challenging ocean conditions greeted our competitors in the water arenas, with rips, sandbanks, currents and big sets. Our U8 and U9's had a tough time in Water Arena 2, but all emerged smiling, some having been delivered to shore on the jet ski. In Water Arena 1 the string line appeared to be miles out, but our nippers faced the challenge head on.

A total of 13 individual ASLSC qualified for one or more beach or surf events at States, either as an individual or team event. Will Severin was awarded a travel subsidy to assist in costs associated with travel to the SunSmartWA Nipper Champs. Well done to all Nippers who competed at the Regional Championships and congratulation to those who qualified.

SunSmartWA Nipper Champs – Beach and Surf

The Nipper State Championships were again held over two weekends. The SunSmartWA Nipper Champs – Beach events were conducted at Sorrento Beach on Saturday the 2nd of March and Maggie Stephens and Will Severine represented ASLSC against the best nippers in the state.

Maggie finished 16th out of a field of 35 in the U11 Female 1km Beach Run, finished 6th in her Beach Sprint heat – narrowly missing the finals and made it down to the last 5 in her Beach Flags heat.

Will finished 5th in a field of 21 U13 Male 1km Beach Run and made it through the Beach Flags heats to the final before getting knocked out in 9th position.

Well done to Maggie and Will – the competition at States is fierce and you represented ASLSC with pride.

SURF SPORTS

Woodside Nippers

Kate Levett, Maggie Stephens and Skye Ford represented ASLSC at the SunSmartWA Nipper Champs – Surf on Saturday the 9th and Sunday the 10th of March at Trigg Beach.

Challenging conditions faced our Woodside Nippers on the Saturday, a big swell, decent south – southeasterly winds and some interesting rips tested our three very resilient competitors – the girls looked strong and were well prepared thanks to the time and dedication of the Tuesday Training and Sunday Nippers teams of Age Group managers, assistants, coaches and the girls age group peers. The conditions were slightly better on the Sunday for the final of the U11 Iron Woman, with an offshore breeze and more moderate swell. All three girls competed in the board race, Kate and Skye competed in the Iron Woman, and Kate and Maggie teamed up for the U11 board rescue.

Skye finished 4th in the Board final, Kate finished 5th in the Iron Woman final and 13th in the board final. Great results for a small team!

Many ASLSC competitors who qualified did not make it to the States events, either due to illness, an inability to travel, or an inability to travel to Perth two weekends in a row.

AWARDS AND RECOGNITION

Anna Emery | Director

It's been a short and somewhat disruptive 2023/2024 season with the Club's redevelopment. However, this did not stop our members from enjoying a great season on the beach competing, patrolling and volunteering. We have also honoured some great club members for their contributions and successes over the season through our Nippers, Youth and Senior Windups/Awards. We had two finalists for the SLSWA Youth and Nipper Awards, a Gold Level Youth Leader and a SLSWA Nipper of the Year Winner! SLSWA Awards of Excellence was held on 15 June and we had two very deserving finalists. Below is a little snapshot of our members awesome achievements over the 2023/2024 season.

2024 SLSWA Youth and Nipper Awards

2024 Nipper & Youth Awards was presented by the Scottish Masonic Charitable Foundation of Western Australia. In the Nipper categories, regional representation was strong, with Albany SLSC's Mahayla Smithers named Nipper of the Year.

AWARDS AND RECOGNITION

A dedicated Nipper with expectational surf awareness, Mahayla was recognised for her active engagement in safety discussions and promotion of SunSmart practices, as well as for being a member of her club's surf sports team, regularly attending carnivals where she is a great supporter of her fellow competitors, displaying integrity and fantastic sportsmanship.

Congratulations also to:

Hamish – Youth Club Achiever

William – Finalist U14/15 Lifesaver of the Year

Liesel – Gold Level Youth Leaders Program

2024 SLSWA Awards of Excellence

Congratulations to Greg and Rob on being announced as finalists in the 2024 SLSWA Awards of Excellence held at Crown.

- Greg Freebury – Age Manager of the Year
- Rob Mason – Volunteer of the Year

Fourteen Albany Clubbies travelled up to support and celebrate with them at the Awards. Unfortunately, they did not bring home the win but being a state finalist is a very special achievement and we all know how amazing they are and they know how much we value their incredible volunteer contributions to our club and community!

AWARDS AND RECOGNITION

ASLSC Education and Training Award	Cameron Martin
Terry Engledow Endeavour Award	Nick Walker
ASLSC Most Improved Surf Sports	Chelsea Sobik
David Smith Memorial Trophy Club Person of the Year	Rob Mason

CLUB REDEVELOPMENT

Rob Mason | Club Building Expansion Project Lead

We have had substantial progress with this project since last year's report. Thanks to a further injection of funds required to match the builder's quote, construction is now well under way!

Smith Construction was awarded the contract in late 2023 and have been onsite since February 2024. The project now has a budget of over \$3m and we are extremely grateful to our funding bodies and partners:

- The Western Australian Government who contributed an extra \$500,000 to take their total funding to \$2.1m
- Lotterywest with \$704,000
- City of Albany who contributed an extra \$50,000 to take their cash contribution to \$350,000 plus, in-kind support including managing the project on our behalf
- Jack Family Trust have committed to \$150,000 towards the fitout of the new building
- Ourselves, Albany Surf Life Saving Club also committed an extra \$50,000 - taking our contribution to \$200,000.

As all members will be aware, this project has been underway for many years in one form or another. It is pleasing that all the effort made has now borne fruit and we are very excited to see the build underway. The Project Team is very grateful for the efforts of many members during the partial move out last year and the full move out early this year – many thanks!

CLUB REDEVELOPMENT

The upgraded building will certainly enhance everything that we do, and I expect, provide substantial benefits for the broader community. Again, my thanks to all those members who participated in the various workshops and provided valuable advice along the way. There will be some further opportunities to contribute when we come to the fitout.

Completion of the building is due by the end of the calendar year unless we are hit with delays, which is always possible. Following this, we will then fit the club out with a new AV system, canteen equipment, new office, community room and storage for all areas of the building. We will certainly be in by the 2025/26 season, but hopefully we might be operating from our upgraded club building towards the end of this coming 2024/25 season. Stay tuned!

FINANCE REPORT

Robert Field | Finance Director

I am pleased to present the 2023-2024 Financial Statements for the Albany Surf Life Saving Club. The ASLSC has not had access to our clubhouse for most of the last season which has impacted our revenue from the canteen, bar and venue hire. We also reduced the membership fees by 50% for the season since members didn't have access to the clubhouse. The redevelopment has commenced and we have paid our \$150 000 contribution to the City of Albany. We have made a loss of \$177 056 for the financial year to 31st March 2024. This includes the \$150 000 payment for the redevelopment. So, in effect our trading loss was only \$27 056.

I would like to thank Simone Klose for her role as our Administrator at the club. Simone has been very professional and diligent, and I would like to thank her for her work. The teams who ran the canteen and events have excelled and all have contributed to the financial viability of the surf club, well done and thank you.

A review of the Financial Statements offers the following:

- The club has produced a net loss this season
- We have paid our \$150 000 contribution for the new clubhouse redevelopment
- Our cash reserves have reduced due to the club redevelopment

I would like to thank our sponsors, donators and those people & business who donated in kind services throughout the year. Without the help of these our club would not be in the great position we are in right now.

I would like to thank the team at Smith Thornton, with special mention to Barbara Biggs & Lauren Batten for their contribution to ensuring our financials and accounting are up to date.

We are looking forward to the new clubhouse and the coming season where we will have a clubhouse to bring us together and build for the future with exciting times ahead.

COMPILATION REPORT

To the Committee Members of ALBANY SURF LIFE SAVING CLUB

On the basis of the information provided by the Committee Members of ALBANY SURF LIFE SAVING CLUB, we have compiled, in accordance with the Professional Accounting Standard APES 315 'Compilation of Financial Information', the special purpose financial report of ALBANY SURF LIFE SAVING CLUB for the year ended 31 March 2024.

The Committee Members are solely responsible for the information contained in the special purpose financial report and have determined that the accounting policies used are consistent with the financial reporting requirements of ALBANY SURF LIFE SAVING CLUB and are appropriate to meet the needs of the Committee Members and members of the association.

Our procedures use accounting expertise to collect, classify and summarise the financial information which the Committee Members provided into a financial report. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

Neither the firm nor any member or employee of our firm undertakes any responsibility or accepts liability in any way whatsoever to any person other than ALBANY SURF LIFE SAVING CLUB association and its Committee Members in respects of the special purpose financial report including any errors or omissions in the special purpose financial report however caused.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

The financial statements cover Albany Surf Life Saving Club as an individual entity. Albany Surf Life Saving Club is a Not-For-Profit Association incorporated under the Associations Incorporation Act (WA) 1987, which was replaced by The Associations Incorporation Act 2015 (WA).

1 Basis of Preparation

The financial report is a special purpose financial report prepared for the use by the Management Committee. The Management Committee has determined that the club is not a reporting entity.

These special purpose financial statements have been prepared in accordance with Australian Accounting Standards applicable to entities reporting under the Associations Incorporation Act 2015 (WA).

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

2 Summary of Significant Accounting Policies

Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and are net of any rebates and discounts received.

Plant and Equipment

Plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

ALBANY SURF LIFE SAVING CLUB

57 657 202 934

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

Income Tax

The Club is exempt from income tax under provisions of Section 50-45 of the Income Tax Assessment Act 1997.

Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and Payables are stated inclusive of GST.

Dear Committee,

AUDITOR'S INDEPENDENCE DECLARATION
Pursuant to Section 60.40 of the
Australian Charities and Not For Profits Commission Act 2012.

In relation to the audit for the year ended 31 March 2024, I declare that, to the best of my knowledge and belief, there have been no contraventions of the audit independence requirements of:

1. The Australian Charities and Not For Profits Commission Act 2012.or
2. The Accounting Professional and Ethical Standards Board.
3. Any applicable code of professional conduct.

This Declaration is made in respect of Albany Surf Life Saving Club Inc during the period of the audit.

Yours sincerely,

Paul Gilbert FCPA MBA

Report on the Financial Report

We have audited the accompanying financial report of Albany Surf Life Saving Club Inc which comprises the Balance Sheet as at 31 March 2024, the Profit and Loss Statement for the year then ended and notes comprising a summary of significant accounting policies, other explanatory information, and the statement by committee members.

In our opinion the financial report of Albany Surf Life Saving Club Inc has been prepared in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission (ACNC) Act 2012, including:

- (a) giving a true and fair view of the Service's financial position as at 31 March 2024, and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards, and Division 60 the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the service in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, the financial report has been prepared for the purpose of fulfilling the Club's financial reporting responsibilities under the Australian Charities and Not-for-Profits Commission Act 2012 and Associations Incorporation Act 2015. As a result, the financial report may not be suitable for another purpose. In particular we note that the building lease has not been capitalised and the value of volunteer services have not been recognised. Our opinion is not modified in respect of this matter.

Emphasis of Matter – Accounting for Cash Receipts

As is common for organisations of this type, it is not practicable for Albany Surf Life Saving Club Inc to maintain an effective system of internal control over monies received, until their initial entry in the accounting records. Accordingly, our audit in relation to this income was limited to amounts recorded in the accounting records. Our opinion is not modified in respect of this matter.

Emphasis of Matter – Attendance at Stock Take

It is not practicable for us to attend the stock take count as at year end in order to verify the existence and valuation of the stock record. Accordingly, our audit in relation to this inventory was limited to amounts recorded in the accounting records. Our opinion is not modified in respect of this matter.

Responsibility of the Management for the Financial Report

Management of the service are responsible for the preparation of the financial report that gives a true and fair view in accordance with the requirements of Australian Accounting Standards, the ACNC Act and the needs of the members. Managements' responsibility also includes such internal control as management determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so. Management are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the service's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the service to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of section 60-30 of the ACNC Act. We are satisfied that:

- a) we have received all information, explanation and assistance necessary for the conduct of the audit.
- b) management has kept financial records sufficient to enable a special purpose financial report to be prepared and audited.
- c) management has kept other records as required by the ACNC Act.

Paul Gilbert FCPA MBA

SLSWA CAMPS

TOAD Camp

T.O.A.D. (Teamwork, Opportunities and Development) Camp is a development program open to U14 & U15 youth members. The camp is designed to expose participants to a variety of skills and activities that will enhance and encourage their development within our organisation. This year it was held in the SLSWA Development Centre in Margaret River and a few of our clubbies had the opportunity to attend.

William Schupp clubbie shares his experience...

We arrived at the South West Development Centre (SWDC) with our hopes high. We were all excited for the week that was TOAD. Monday was mostly a get to know you day. We had an amazing dinner of pasta, salad, and choc brownies with ice cream. We then did our Radio Operators Certificate theory.

Tuesday was great with coasteering and a beach day. Coasteering (which is when you climb along rocks and then jump off said rocks), was an amazing experience. The sun was beating down on the SWDC as we prepared for our Skits. That night we were joined by two new members of the SLSWA board, as well as representatives of the Scottish Masonic Charitable Foundation of WA (SMCFWA). Dinner that evening was roast chicken, roast vegetables, and apple crumble with custard. That night was our Radio Operators Certificate Practical.

Wednesday began with our team sports competition. We competed against other teams to gain the most points in teamwork activities. Then we set off to Dunsborough and Next Level Monkey Business. Now, I'm not a big fan of heights, but Next Level Monkey Business was quite fun. When we got home, we packed and had our dinner which was lasagne, salad, and sticky date pudding with ice cream. That night we presented our skits. My group (Team 2) came last in the skit competition, but we won the previously mentioned activity competition.

SLSWA CAMPS

TOAD Camp

TOAD was a great experience. Thanks to SLSWA for organising the event. To the SMCFWA, for sponsoring this camp, Rise Up, and SLSWA youth. To Dave, Maddie, and Charlie for organising the camp. To Ian, Sheridan, Daniel, and Kate for volunteering your time to take us on this camp. To Team 2 (especially Kate, our group leader) for all the memories we made. To Stirling, Ash, Elliot, Byron, Kaden, Lucas, and Angus (Dorm 3), for keeping me up every night. Finally, to everyone at ASLSC for giving me the opportunity to do this camp. Thank you.

SLSWA CAMPS

Rise-Up Camp

Rise-Up Camp caters for U17 youth members (those aged 15 and 16-years). This camp provides an opportunity for members to participate in a wide range of physical and social activities that will develop personal leadership skills. This year it was held in the SLSWA Development Centre in Margaret River and a few of our clubbies had the opportunity to attend.

Liesel Freebury U17 clubbie shares her experience...

For me, Rise Up Camp was a truly one-of-a-kind experience and I am extremely grateful that I was given the opportunity, along with fellow youth members Ashton Sobik, Mitchell Loverock and Oliver Pass, to attend the four day camp.

This year the camp was hosted in the brand new surf life saving South West Development Centre located in Margaret River. We spent majority of the camp adventuring out into surrounding cliffs, beaches and landscapes taking part in all kinds of activities. Some of my favourite moments from these adventures included abseiling down a phenomenal 40-metre seaside cliff with the lovely view of dolphins and natural coastline, hiking 8 kilometres along the cape to cape trail, and navigating ocean currents and rocky coastline from in the water. I also enjoyed myself back at the main camp, where I was able to complete a first aid refresher course, engage in many sporting and team building activities as well as socialise with new found friends.

This camp reminded me of how lucky I am to be a part of our amazing surf club community and just how lovely the people in our community can be. I will forever be grateful for and cherish the opportunity I was given to meet so many amazing people from all different clubs and I couldn't recommend this camp to anyone else enough.

SLSWA CAMPS

Rise-Up Camp

I would like to take this opportunity to thank all of our clubs sponsors for making this camp possible, Surf Life Saving WA's sponsors and the many volunteers both in our club and across WA that make amazing experiences like this one possible. Finally, I want to thank Joslyn Pass (youth coordinator) and Dani Lynch (youth AGM) for all the effort and work they do for us.

A big thank you to ASLSC sponsors John & Janet Inglis for their support to send young members to valued Youth Development Programs.

OUR VISION

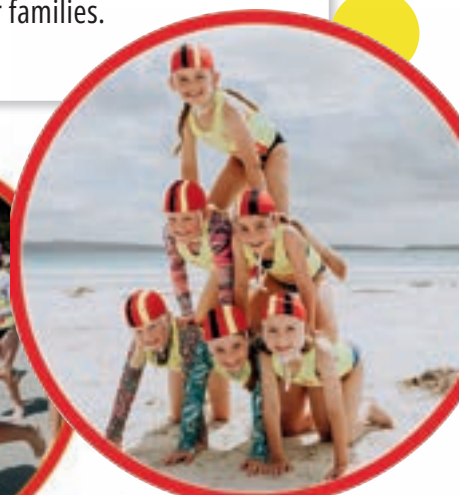

**Saving lives,
developing our
people and
community**

OUR PURPOSE

The Albany Surf Life Saving Club develops our people and community by providing a safe environment, and an exceptional level of volunteer service in lifesaving, training and education, surf sport, youth and nipper programs.

OUR VALUES

-  **Safety** – Our Club strives to keep everyone safe in the water, on the beach and in the clubhouse. We have a strong culture of safety, take responsibility and act when needed.
-  **Respect** – Respect for each other and our Club starts with us all. We value and respect our people, facilities and equipment.
-  **Inclusion** – Our Club is enriched when we welcome people from diverse backgrounds and abilities. Differences are respected and engagement encouraged.
-  **Contribution** – We are a Club driven by volunteers. We value and encourage all contributions to our Club, to lifesaving and to our community.
-  **Teamwork** – Teamwork and communication strengthens our people, our Club and our community.
-  **Family Focused** – Our Club provides opportunities for all our members and their families.

OUR PILLARS

1. LIFE SAVING SERVICES

We provide a high standard of lifesaving services for our community via our skilled and competent members.

Through:

- Fostering entry pathways into SLS
- Build capacity in our SLS Team
- SLS Education & Training
- SLS Service Development

Measures of Success:

- Meet agreed State SLS standards
- Patrols meeting agreed standards
- Meet Education and Training targets

2. OUR CLUB

We ensure the long term sustainability of our Club through strong governance and sound management.

Through:

- Best Practice Governance
- Comprehensive Risk Management
- Effective Facility Management
- Sound Financial Management
- Effective Communication

Measures of Success:

- Meeting governance compliance
- Financial & operational viability
- Engaged membership

3. OUR PEOPLE

We are an inclusive, family friendly Club with committed and engaged Members.

Through:

- Fostering integration across the Club
- Membership recruitment & support
- Foundational Nippers Program
- Targetted Youth & Senior Program
- Active Surf Sports Program
- Volunteer Recruitment & Retention
- Volunteer Recognition

Measures of Success:

- Active volunteer numbers
- Increased and active members
- Member satisfaction
- Retention rates

4. COMMUNITY CONNECTIONS

We foster positive and respectful relationships with Middleton Beach users, the Albany community and the SLS sector.

Through:

- Middleton Beach users partnerships
- Active community connections
- Strong SLS sector engagement

Measures of Success:

- Access and use of our community spaces
- Diversity in community users
- SLS alliances and collaborations
